ABOUT US

hello there lovely! **WELL**

We are so happy you have found us and also a massive *congratulations* on your engagement!!

We believe that your wedding should be every bit as individual as you are, and that's why our styling options can be fully adjusted and tailored to suit your requirements. We want you to have the wedding of your dreams, and that means getting exactly what you want!

Our styling services include two consultations, a style plan, delivery, set up and collection of our displays. Distances over 10 miles from our base in Nuneaton are charged at an additional 45p per mile per trip (usually two round trips - one to set up and one to collect).

For styling services a non refundable £50 deposit is required to reserve your date in our diary. Following our first consultation and after you have received your quote, a 50% deposit is required to confirm and secure our services. The remaining balance is payable 8 weeks prior to your wedding. Our examples are based on 80 guests, 8 tables plus top table fully styled. Prices will be adjusted accordingly if your numbers are different.

For prop hire only, full payment upon booking is required.

So please get in touch, we'd love to hear from you!
